## Working to Equitably End Homelessness in Detroit, Highland Park, & Hamtramck

### Committee Presentation Map

Below you will find a schedule outlining when CoC Committees are expected to present an update on their work to the CoC Board. In the month preceding your presentation, the CoC Coordinator will reach out to you to coordinate the steps necessary to finalize your presentation. **Committees should structure their presentations to last about 10-15 minutes** (however, you may request longer if needed).

In your presentation, you should remind the board of your committee purpose and update on the progress of your workplan, using the time to highlight any successes and challenges you have had in accomplishing your goals throughout the year. You can also use this time as an opportunity to seek guidance/input from the CoC Board. **Note: Some committees have specific information called out below that the Board is requesting also be incorporated into your presentation.**
