## 2022 Detroit CoC Point-in-Time Count Detailed Data Report

The Detroit Continuum of Care (CoC), the Homeless Action Network of Detroit (HAND), and the City of Detroit conducted a one-night Point-in-Time count of persons experiencing homelessness in the cities of Detroit, Hamtramck, and Highland Park on January 26, 2022.

The Point-in-Time count (PIT) provides a snapshot of the number of people who were experiencing homelessness in our community on this one night. This includes persons experiencing homelessness who are Unsheltered and persons in Emergency Shelter, and Transitional Housing programs. The Unsheltered Count is mandated by HUD to be conducted biennially.

This report provides a detailed overview of the various sections including Household Populations and Demographics included in the PIT count and separated by multiple subpopulations including Veteran, Unaccompanied Youth, and Parenting Youth Households. This report also provides additional subpopulation information on adults only, these subpopulations include persons experiencing Serious Mental Illness, Substance Use Disorder, HIV/AIDS, and Persons fleeing Domestic Violence.

### ALL HOUSEHOLDS

#### Population: Households with at least one Adult and one Child

	Sheltered		Unsheltered	Total
	Emergency	Transitional
