Here is the document with the themes from our listening sessions.

11:02:47 From Amanda Cookson to Everyone:
With regard to Target Population, can you narrow the population to a specific subset, such as only serving homeless youth ages 18-24 who have been in foster care? Or do you have to be open to all homeless youth regardless of foster care history

11:03:32 From Tara Ortega to Everyone:
That is correct

11:03:48 From Katy Kibbey to Everyone:
If you are CoC organization that currently has CoC funded project that is targeted toward the youth population of this RFP, I am assuming that anything proposed has to be markedly different to be seen as a "new" project vs. an expansion of a current youth-model. Any guidance?

11:06:50 From Tara Ortega to Everyone:
And YHDP has specific elements and requirements

11:07:15 From Amanda Cookson to Everyone:
When looking at the Housing Provided through PSH or TLP/RRH, are there any HUD restrictions on the organization owning the housing/apartments that the youth would be placed in, or would we have to look towards other housing opportunities that the grantee does not own.

11:07:48 From Tara Ortega to Everyone:

To clarify TH-RRH, not TLP

11:09:24 From Amanda Cookson to Everyone:
